

Summer Reading on a Mobile Device

Students can access two collections of eBooks using a mobile device by following these steps:

Go the App Store on your device (Apple iTunes or Google Play). Search for MackinVIA and/or Follett BryteWave K-12. Both Apps are free. Download the app of your choice. Log in following the directions below.

MackinVia is our main platform for downloadable eBooks.

1. Open the App. Log in using directions on right.
2. Browse or search for a title of your choice.
3. Click the Checkout button.
4. Click the Backpack symbol in the upper right-hand corner.
5. Click **Checkouts**.
6. Click the book cover to download the title to your device.

LOG IN :

Type in school name

User ID: s + student number

Password: last 4 digits of the student#, first and last initials capitalized, last 2 digits of year of birth.

Follett BryteWave K-12

1. Open the App. Log in using directions on right.
2. Browse or search for a title of your choice.
3. Click the Checkout button.
4. Click the Open button.
5. Choose Download title.

Once the download is complete you click the arrow to page through the book.
